Dear Brent,

I am glad we had an opportunity to talk with you Monday p.m. when you were taking your cattle out of Rock Canyon. I agree, we need to cooperate, but we must realize and honor the rights of each party relative to their property rights.

You still seem to disagree on the fact that the Dugway Road on our mining claims is a private access road solely for our use. Access to anyone else is at our discretion. That gate will be locked as it was during your cattle drive today.

Per our discussion, we need to sit down and agree on specific issues and confirm them. The best way to accomplish this is for myself, Glen Fuller, Kim Fuller, Garth Greenwell, and members of the Park Valley Hereford Association to meet at the earliest possible time. Mid October would work best for us. Myself, Kim, or Garth will call you to confirm a date.

Sincerely,

Gary Mullard
President
